

College Application Checklist

Having a list of important tasks to complete for each college application will make the application process go smoothly and help you meet deadlines.

PLAN

To fill in all the blanks on the application form itself, you may have to dig up documents or get answers from your parents or guardians. Most students use online applications, but paper applications are usually available too. There are also services that let you complete one application online and submit it to several colleges like the Coalition Application, Common Application, and Universal College Application.

Notes:

GRADES

The record of the classes you've taken and your grades are important parts of your application. Your high school should send your transcript, along with a school profile, directly to the colleges you're applying to. Ask your school counselor or principal how to arrange for this. And be sure to check the transcript for errors before it's sent.
